NAWA - ASSOCIATE MEMBERSHIP APPLICATION

U.S. women artists, at least 18 years old, are now eligible to join our organization as Associate Members. This is a non-juried category, designed to welcome emerging women artists into NAWA who are still developing a professional body of work. Membership in this category begins on October 1 of each year and expires on September 30 of each year. However, you may apply for regular membership (in March and September of each year) through the jury system.

Benefits of Associate Membership Include:

- **Exhibition Opportunities** – The organization will sponsor one Juried Group Associate Members exhibition in the NAWA Gallery every year. An Associate Member will be able to enter the NAWA open juried small works exhibition. These exhibitions provide excellent opportunities for associate members to exhibit and sell their work.
- **Associate Members** – Will have the same rental fee for the NAWA Gallery exhibition space as a regular NAWA member.
- **Education Programs** – Associate Members will be able to attend NAWA's programs and seminars that address topics of professional development for artists. In addition, these artists are encouraged to participate in scheduled lectures, panels, and workshops that are open to the public.
- **Networking Opportunities** – Meet professional women artists throughout the United States, and take advantage of mentoring opportunities that are created through these contacts.
- **NAWA Website, Newsletter and Catalog** – Associate Members will be able to have their name listed in the Associate Member Directory of the NAWA website, newsletter, catalog, and receive all NAWA communications.
- **Volunteer** – Associate members are invited to participate in the various committees; membership, exhibitions, awards, nominating/governance, programs, public relations, hospitality and publicity.
